Nearly 100,000 American farmers have bought approximately 3, 000,000 acres of land in western Canada since the first of the year.

During last fall and winter the discovery was made that the most successful treatment in many instances was to take a steaming hot cupful of Bulgarian Blood Tea with the juice of half a lemon. The entire system responds to the in-creased blood circulation. Fatal poisons are eliminated from the bowels and the kidneys are flushed of all impurities. Bulgarian Blood Tea relieves and corrects constipa-tion, indigestion, sour, gassy stom-ach, kidney and liver aliments.
